

Your views are important to us

All comments received from this Public Consultation will be considered during the Stage 2 Assessment and will inform the decision on the 'preferred route' option. The Stage 2 process will conclude with a Ministerial announcement of a 'preferred route' in early to mid 2008.

Getting and Staying Involved

Please use the feedback section of the leaflet available at today's consultation event to give us your views on the route corridor options. Please drop this feedback form in the box provided on your exit or post to the Roads Service at the address below. All comments should be received by 20th July 2007.

If you would like a copy of the Stage 1 Assessment Report (£150.00 including postage) or a CD copy (£5.00 including postage) then please contact Strategic Roads Improvement Team at the address below.
