Purpose of Public Exhibition

The purpose of this exhibition is to advise of the publication of the Statutory Orders in connection with the proposed road improvement works on the A2 Shore Road Greenisland Scheme, between Jordanstown Road and Seapark, Carrickfergus. The Statutory Orders are - The Draft Direction Order, which details the changes to the road layout, The Notice of Intention to Make a Vesting Order, which details the proposed land requirement, and the Environmental Statement, which details the environmental impacts and proposed mitigation measures.

Roads Service will display the scheme proposals and officers will be in attendance to answer questions about the road improvements.
